Low Cost Walk In Steps

The Festiva

by Lumi-O The leader in-pool steps!

Lumi-O innovates with a new generation of pool steps based on its existing steps. The Festiva is the result of several years of development. Economical and practical, it is easy to install and adapts easily to pool bottom level variations, and its slip-resistant surface ensures greater safety. The Festiva is the best choice when it comes to a good quality-price ratio.
