Luxury leisure you can afford

Your Pool - Your Way

Our range of stylish pools come in a variety of sizes to suit any space or budget - and with our choice of optional extras we can match individual pool features to suit you and your family. Or we can custom-design a pool size or shape for almost any space at a very affordable price - we even offer extra-durable pools for schools. Just ask your local approved Sunsoka dealer for more details.

Self-build for maximum savings...

Natural-wood Sunsoka pools are premium products with an added bonus - save hundreds of pounds with our self-build option, creating a first-class private leisure facility at a fraction of the usual cost. Our pools are uniquely designed for simple home construction, meaning the self-build enthusiast with relatively little building know-how can construct our products in a long weekend. It's easy, and don't forget - our expert support team are just a phone call away to answer any self-build queries.

...or put your feet up and let us build it for you

With our approved Sunsoka Installation teams operating nationwide, we can construct a stunning Sunsoka classic in your outdoor space, or create a designer custom-made pool just for you at a highly competitive price. Just put your feet up and let us do the work.

Whichever build package you choose, the Sunsoka easy-to-assemble design ensures rapid construction on any site - so your swimming pool will be ready to jump into in super-fast time.

Take the Plunge - above or below... you choose

Yes - you can fit your Sunsoka above or below ground. The superior quality pressure-treated Sunsoka timber means it will remain just as durable and long-lasting when submerged.

Sunsoka Sport

The Sunsoka Sport is a unique fitness option for health enthusiasts, offering the exercise benefits of a full-sized swimming pool without the need for a massive outdoor space. The compact Sport model is designed as the ideal space for a single swimmer, and features a high-power jet to create a strong current for swimming against the tide. Complete with an all over tile liner and integrated underwater light the Sunsoka sport offers first class luxury. Why not combine your Sunsoka sport pool with a hot tub from your chosen Sunsoka outlet to give you and your family the ultimate swim and spa environment at a price you can afford!

Heating Options

We have a variety of cost-effective solutions for heating your pool, all of which can be fitted quickly and easily. For ultra-economy, we also offer an exciting new solar-powered pool heating option. To discuss which heating solution best suits your budget and lifestyle, ask your local approved Sunsoka dealer for more details.

Indoor Pool Lodge

Want to create a stunning natural-wood indoor pool lodge? Ask about our range of **Forest Young** luxury log cabins - a great way to create your own indoor fitness centre at a hugely affordable price.

Just ask your local approved Sunsoka dealer about the Forest Young range from BZc.

UK Made for Quality

Our range of premium-quality pools are manufactured in the UK, and uniquely designed to perfectly suit the European climate. Sunsoka pools are made from precision-engineered premium materials, and created for a lifetime of good looks and great usability. The beautiful hardwood frame is high-quality, grade-one red pine, and - unlike many other models on the market - comes with a 15-year guarantee. Since we offer deluxe products, you'll receive everything you need to install your pool, including all the little details other stockists often leave out. And our pools come with luxury extra features as standard:

Free Luxury Features with Every Model

- Underwater light
 - Deluxe liner with tile band
 - Injection moulded coping bezels
 - Water Treatment starter kit
 - DVD guide for pool owners
 - Stainless-steel pool ladder
 - Extra-safe wooden ladder
 - Pool games
 - Comprehensive maintenance kit
 - Foreman and duty foreman novelty hats
- ...and all essential tools and materials.*
